

Thank you for purchasing Commercial Font License by Chequered Ink.

You purchased the font license on 2018-05-18 17:05:22 for **\$150.00** with the email *aaron@numediapro.com*. This page has a unique URL for your purchase. You can always re-download the latest files from this page. You should have also received an email with a link to this page. If you ever lose the URL for this page you can request it to be emailed to you from the [support page](#).

This purchase is linked to the account [tastypill](#).

Download and install instructions from Chequered Ink:

Please download the license file as a record of the current license terms, and keep your receipt from itch.io safe as proof of purchase.

This download does not include individual font files, which are available to download from our [FontSpace](#) profile.
